

ABOUT US

For 28 years, ACE has been a leading name in the lighting industry, proudly recognised as the first lighting brand to be certified by the Bureau of Indian Standards (BIS). Our journey began with a commitment to delivering superior quality and innovative lighting solutions. Today, we are one of India's most trusted brands, known for our extensive product range and unparalleled customisation options.

Diverse Product Range

Our catalogue features one of the widest ranges of lighting products available in India, catering to diverse needs and preferences. From energy-efficient LED luminaires to stylish decorative lighting and robust outdoor solutions, we offer a comprehensive selection that blends functionality with aesthetics. Our products are designed to enhance the ambiance of any space, be it residential, commercial, or industrial.

In-House Manufacturing Excellence

At ACE, we take pride in our state-of-the-art in-house manufacturing unit, which allows us to maintain stringent quality control and continuously innovate. Our facility is equipped with the latest technology and staffed by a team of skilled professionals dedicated to producing lighting solutions that meet the highest standards of quality and safety. This in-house capability ensures that we can swiftly respond to market demands and introduce new products that set trends in the industry.

Commitment to Quality and Innovation

With a quarter-century of expertise, ACE continues to lead the way in lighting innovation. Our BIS certification underscores our commitment to quality and safety, assuring our customers of reliable and durable products. We demonstrate our belief and confidence in our products by offering 12 months to 36 months of warranty; and as we look to the future, we remain dedicated to pushing the boundaries of lighting technology, offering solutions that are not only energy-efficient but also environmentally friendly.

Explore our catalogue to discover the perfect lighting solutions that combine quality, innovation, and aesthetics.
